**LOCATION**—We are located in Fairview Boro in the fertile garden belt, two miles from Lake Erie, and twelve miles west of Erie, in Northwestern Pennsylvania. Route U. S. 20, "The Yellowstone Trail", touches the corner of our nurseries which include 500 acres.

Fairview is the halfway mark between Cleveland, Ohio, and Buffalo, N. Y., and 60 miles east of the Nursery Center of Painesville, Ohio. It is also the closest point of contact between Pittsburgh, Pa., and Lake Erie.

**SHIPMENTS** - We arrange for bulk shipments of B&B stock by independent local truckers who specialize in hauling nursery stock.

On liner orders give **SPECIFIC SHIPPING DIRECTIONS**. We do not recommend commercial truck shipments especially if more than one line must handle. Railway Express, in spite of cost, is more satisfactory. On large orders of liners in areas served by our truckers, we will ship in bulk truck shipment. When doing this, stock will be packed in rolls with no charge for packing. Delivery usually is made next day as trucks leave in the evening and travel through the night.
